

## **New Update! EaseUS Todo Backup 5.6 is Now Available for More Reliable and Effective Backup Solutions**

NEW YORK CITY, N.Y., Jan. 31, 2013 (SEND2PRESS NEWSWIRE) -- [EaseUS Software](http://www.easeus.com), as an innovative software developer to provide cost-effective solutions for storage management and data protection, today releases new version 5.6 of EaseUS Todo Backup with a big enhancement on its software GUI and performance.

Hard drive and system failures often bring completely unexpected disasters. Therefore, selecting a correct backup software is the key for data security. Your valuable documents and client files on the PC or server are simply too important to lose. With EaseUS Todo Backup, your files are completely protected and you will be free of any troubles caused by data loss. Better yet, the newly updated version 5.6 brings a more intuitive backup wizard for easy to use backup practice and you can begin protecting your data within minutes.
